Results of Academic Performance of Candidates
to the National Entrance Examination 1387 [2008]
www.sanjesh.org

Notes:

- Academic performance results can be obtained by entering file number, user name, password, and birth certificate number, or through entering personal information such as candidate ID number, surname, first name, birth certificate number, and date of birth.

- When entering information, do not change your keyboard system, i.e., the keyboard system should remain on /En/.

- If your name is comprised of two words, e.g., Ali Reza, leave a space between the two words, i.e., "Ali Reza".

- Searches are done based on all information. Instead of (A) use (a). The Caps Lock key must be turned off. Should your last name contain the letter ('), such as in Ma'idih or Ala'i, use Shift+S.

- Use IE to search.

Important:

Should your birth certificate number start with zeros, e.g., 002656123585, do not enter the zeros when conducting a search or accessing results.
For instance, you would enter:
Birth Certificate No.: 2656123585 (without the first two zeros)
